AutoPASS in Norway

- Prices can be calculated for different vehicle groups and fuels.
- For ferries, the regular AutoPASS discount of 10 percent is applied.

Tolls and ferries abroad

- Standard prices can be calculated for passenger cars and motorhomes up to ten meters in length. Lower prices may be available with advance payment.
- With a yearly subscription for the Øresund Bridge, you save money already from the second trip over the bridge.
- Prices for passings abroad are converted to Norwegian kroner based on the exchange rates of the Norwegian Central Bank with a surcharge of 1.75 percent.
